

AMENDMENT/INTEGRATION

General conditions of ORGALIME S2012 shall apply.

- Unless otherwise specified the delivery conditions are ex-works
- Enex will support the buyer for any helpful information regarding the best handling and use of its products, in all case it will be buyer's full responsibility to determine if the Enex product is suitable for the application for which is intended and assume full responsibility for its use.
- Terms of payment are specified in the Offer and in Order confirmation.
- The warranty period is 12 months.
- An extended warranty of further 12 months can be agreed with the customer.
- The warranty includes, unless otherwise specified, only the supply of parts and NOT the on-site substitution and/or reimbursement of direct and indirect costs for substitution (man-hour and travelling/lodging for example).
- Faulty items shall be returned carriage paid to Enex, in order to be inspected and at Enex non object able judgement, eventually repaired or replaced. This warranty specifically excludes episodic damage or breakdown due to transportation, misuse, incorrect installation, modification of the product not made or approved by Enex.
- Enex shall in no event be liable for any loss, or direct, indirect or accidental damage resulting from product use, misuse or incorrect installation. Warranty expires immediately in the event the Enex invoices are not paid at the due date.
- Competent Court is Treviso (Italy)
